## Plot in trading zone:

- all existing street and footpath features (such as trees, light poles, rubbish bins, bike racks, public transport, shelters, fire hydrants, signs and pits)
- disabled car parks
- proposed location of furniture
- access points (doors)

Please mark the location of your current red line and their proposed red line (if you wish to extend it)

NB: Please keep paths clear

## Please indicate location of existing furniture and proposed furniture using the key below:

- tables with a square ■
- chairs with a circle ●
- bins with a cross ✕
- clearly label any other features with text
