Inspection fees.

The fees charged for an inspection by a pool and spa inspector are not regulated and are determined by the private provider. Please enquire with the person that you have engaged to prior to the undertaking of the inspection.

Please note

This is only a list of the registered pool and spa safety barrier inspectors that have advised Council they are willing to undertake pool and spa inspections within the Shire.

The list has been provided as a public service to assist you to more easily find a pool and spa inspector.

You may appoint any registered Building Inspector or Building Surveyor that is willing to take an appointment. Only Registered Building Practitioners in the class of Building Surveyor or Building Inspector may undertake the required inspection of a pool or spa safety barrier.

This list of building practitioners is not a recommendation or an endorsement by Council of the practitioner's suitability.
