## **Community Associations and Groups**

Not-for-profit organisations within the Mount Alexander Shire with a substantive tourism experience can now become a Tourism Marketing Partner at no charge.

## **Public Liability Insurance Cover**

Council must be satisfied that all 3<sup>rd</sup> parties hold a current Public Liability Insurance Policy providing cover for the activities in question for at least 10 million Australian dollars. This requirement is based on the principle that each party should accept responsibility for their own activities/business. Please note this is a requirement when becoming a marketing partner.

(Please tick) I currently have Public Liability Insurance for a minimum of 10 million dollars for the above business and agree that, whilst a tourism marketing partner with the Mount Alexander Shire, I will continue to renew this Public Liability cover.
