

## Transport timetable

The bus is available to run on Mondays, Tuesdays and Fridays.

## Bookings

Bookings must be made 2 business days prior to service.

Call Community Wellbeing Bus Project Coordinator on 5471 1797 to make a booking or for more information.

## Cost

A transport fee of \$5.00 return will be charged per passenger.

## Conditions of transport

- Our volunteer bus drivers are fully licenced drivers and trained to use the bus wheelchair hoist. Clients who require assistance at the facility will be required to bring their own carer.
- All trips must be booked two business days prior to the service. If there are insufficient bookings, the service will not run.
- There is limited passenger seating available on the bus.
- During severe weather and high fire danger days this service will not be available.
- The service will not run on public holidays.
- Pick up and arrival times will vary, depending on demand for the service. Collection time in the morning will commence from 9.00am. As the trial progresses a more accurate time frame may be provided.

# Community Wellbeing Bus

Department  
of Transport

Funding for this bus was made possible through the Department of Transport Victoria

Mount Alexander Shire Council is pleased to announce our new Community Wellbeing Bus which will provide a means of travel for people of all abilities to aquatic, wellness and exercise facilities within the local area.

Our brand new bus, named 'Peggy' is the first fully wheelchair accessible Community Bus with the Mount Alexander Shire Council.

In the initial pilot program, we have partnered with the Gurri Wanyarra Wellbeing Centre in Kangaroo Flat, to provide participants the opportunity to access the centre's facilities and engage in physical activity.

Pilot program participants will be offered a discounted 10-visit Swim pass @ \$38 concession and \$76 non-concession.

- The swim pass entitles the person up to 10 visits to the pool, spa and/or sauna
- Participants can choose to redeem up to 3 of their visits to try a group fitness class or access the gym facilities.
- The 10-visit pass is valid to be used within 3 months of purchase

Full details of programs and facilities at Gurri Wanyarra are available on their website [www.gurriwanyarrawc.com.au](http://www.gurriwanyarrawc.com.au)

#### **Pilot Program Special Offer**

Thanks to funding received from Healthy Heart of Victoria, the first 50 new participants will receive 3 free bus trips to Gurri Wanyarra, and a \$25 voucher to spend on swimwear and equipment at the centre (e.g. goggles, bathing caps, discounted bathers and swim nappies).
