CONDITIONS OF USE OF LOGO

Clear space

The Council logo is designed to stand alone. Maintaining clear space around the logo will ensure it is not crowded or incorrectly connected to other elements.

Size

It is important that all parts of the logo, in particular the typeface, can be easily read. The minimum size of the logo should be no less than 30 millimetres wide and 21 millimetres in height.

There are no maximum size restrictions of the logo as long as resolution quality is maintained and the clear space requirements are met.

Colour

The full colour logo should be used where possible.

Pantone Matching System (PMS) 511 Grape for Mount Alexander Shire Council wording and the "squiggle" graphic that represents the landscape. PMS 342 Green for the trees graphic.

One colour versions are available on request (black/white reversal).
