| | | |
| | | |
| | | |

Where food is sold, there are a number of requirements that event organisers need to take into consideration in order to comply with the Food Act 1984 and to assist with general safety.

Please ensure there is:

- access to clean and hygienic toilet facilities at all times,
- adequate lighting for the preparation of food if required.

Food vendors must supply or have:

- access to hand washing facilities at their stalls
- access to adequate waste disposal receptacles
- access to portable water supply of adequate supply for the activities conducted
- adequate refrigeration or eskies for all foods required to be kept under 50°C

Food stalls where uncovered foods are sold should have 3 sides and a ceiling with a flooring that is damp and dust proof.

All surfaces should be smooth and easily cleaned – plastic table clothes can be used.

All power leads should be secured so as not to pose a trip hazard.

Equipment must be located so that the public are protected from hot appliances.

Equipment that produces heat and flame must be located away from the walls and other flammable parts of the stall.

Event organisers should consider the following when locating food stalls.

- Proximity to power and water (if required)
- Proximity to toilets
- Proximity to activities that may cause dust
- Proximity to stalls such as poultry, petting zoos etc.

Event organisers should also consider how to manage patrons' pets in food areas.

Are you aware of the need to have a CFA permit if cooking a BBQ for fundraising purposes on a total fire ban day?

Yes No - please provide further details

Section 7: Application for Temporary Signage
