

Maldon Historic Reserve Heritage Design Guidelines

Heritage Place:	Maldon Historic Reserve Heritage Area	PS ref no:	HO443
------------------------	---------------------------------------	-------------------	-------

Design guidelines

Conserve, maintain and enhance the buildings, objects and sites in the reserve that are specified in the Maldon Historic Reserve Management Plan.

Support development and uses in the immediate environs of the reserve's buildings, works, objects and sites that are complementary to their historic character and early building styles and materials.
