Mount Alexander Shire Council Reconciliation Plan 2020-2023

- Walk together with courage and purpose-

About the plan

The Mount Alexander Shire Council Reconciliation Plan 2020-2023 provides Council with a framework to bring together our reconciliation initiatives, to reflect the various processes Council participates in with its partners, and also to include our responsibilities under the Dja Dja Wurrung Clans Aboriginal Corporation's Recognition and Settlement Agreement (Schedule 6).

It captures the reconciliation initiatives we are delivering as well as the aspirational goals of what we would like to deliver, both internally as an organisation and externally with our partners and for our community.

Our vision for this plan is to 'Walk together with courage and purpose'. This vision has taken shape over time through reflection and discussion with our local Elders. It is statement that we collectively believe captures the spirit in which we work- In partnership, facing the challenges unique to our own perspective, but always driven by a shared goal.

The Mount Alexander Shire Council Reconciliation Plan is structured around three core themes:

- Partnership
- Recognition
- Empowerment

Underneath these three themes are ten key objectives and thirty-five actions to address them.

Some of the actions included in this plan are initiatives we already have in place. These have been included to ensure we maintain our commitment to delivering them.

For each action, the plan states the Council business unit responsible for delivery and what the implementation status is.

Implementation status refers to whether an action is already being implemented, yet to be implemented and its priority level for implementation (high, medium or low). This prioritisation level is not reflective of importance, rather the proposed order in which actions should be delivered.

The actions that align with a responsibility under the Dja Dja Wurrung Clans Aboriginal Corporation's Recognition and Settlement Agreement (Schedule 6) also include the reference to the responsibility, where applicable.

Our Partners

When we talk about our partners in this plan, we are referring to those that we are working with in our reconciliation journey. They are organisations that are referenced in our plan, and we have actions in our plan that relate to them.

There are three main partner organisations referenced throughout the plan. Outlined below is a description of these three organisation and our relationship with them;

Dja Dja Wurrung Clans Aboriginal Corporation (DDWCAC)

Dja Dja Wurrung Clans Aboriginal Corporation is the registered legal entity that represents Dja Dja Wurrung people.

DDWCAC was incorporated on 10 September 2004 and was granted RAP (Registered Aboriginal Party) status in September 2008 over a large area of Central Victoria that encompasses the Mount Alexander Shire.

In 2013 DDWCAC entered into a historic Native Title settlement with the State of Victoria called a 'Recognition and Settlement Agreement' which secured a range of rights for Dja Dja Wurrung people, some of which are the responsibility of Local Government to uphold.

Council is responsible for delivering eleven actions under the *Dja Dja Wurrung Recognition and Settlement Agreement 2013, Schedule 6 - Actions for local Government.* These actions have been embedded into actions of this plan. A table has been provided to outline how these actions have been incorporated into our plan (*Appendix 1 - Table of Dja Dja Wurrung Recognition and Settlement Agreement actions*).

We work collaboratively with DDWCAC as the Registered Aboriginal Party covering most of Mount Alexander Shire on cultural heritage, and as the Traditional Owner Group Entity on matters of land management, use of traditional language, enterprise opportunities, the Recognition and Settlement Agreement, cultural protocol and Dja Dja Wurrung rights.

In April 2019, we commenced discussions with DDWCAC to explore the potential for a local level Treaty to be developed as part of their 'Balaki Wurrekang (Mob talking to Mob) Treaty Engagement' project. The guiding principle of these discussions being an 'Opportunity to enter into a mutual agreement on equal footing'.

Nalderun Aboriginal Services (Nalderun)

'Nalderun' is a Dja Dja Wurrung word meaning 'all together'.

Nalderun is an Aboriginal-led collective that operates holistic education, health and cultural services for our First Nations people in Mount Alexander Shire.

The work undertaken by Nalderun is Aboriginal designed and led, centred on Aboriginal children and young people, the Aboriginal community and the broader community.

Nalderun is led by an Executive Team made up of local Aboriginal Elders and an Aboriginal Coordinator, including our senior Dja Dja Wurrung Elder Uncle Rick Nelson. The Nalderun committee is made up of volunteers and partner organisations, including Mount Alexander Shire Council (Appendix 2 - Nalderun Upper Loddon Committee Terms of Reference).

We have enjoyed a meaningful, productive and reciprocal relationship with Nalderun for over 10 years, and prior to the formation of Nalderun, informally with Nalderun members since 2000. Nalderun is both the representative body for our local Elders and also the primary Aboriginal service provider in Mount Alexander. This means we heavily consult with Nalderun on council related matters, and also advocate for and support the vital work that Nalderun does in our Shire. Nalderun Executive and Dja Dja Wurrung Elder Uncle Rick Nelson is also the Co-chair of the Mount Alexander Shire Indigenous Roundtable (Appendix- Mount Alexander Shire Indigenous Roundtable Terms of Reference).

Under an arrangement with DDWCAC, we are encouraged to consult directly with our local Dja Dja Wurrung Elders and families through continued engagement with Nalderun on local matters that relate specifically to Mount Alexander Shire.

Taungurung Land and Waters Council (TLAWC)

Taungurung Land and Waters Council is the registered legal entity that represents Taungurung people.

Previously known as Taungurung Clans Aboriginal Corporation, TLAWC was incorporated in 2003 and was granted RAP (Registered Aboriginal Party) status in July 2009. The Taungurung RAP area covers a large section of north central Victoria to the east of the Mount Alexander Shire, including a small portion that overlaps with our shire boundary, encompassing the small township of Barfold.

In October 2018, TLAWC entered into a Recognition and Settlement Agreement with the state which has now been formalised.

In June of 2019, we participated in the TLAWC 'Permanent Council's Forum'. The forum aimed to start the conversations with the Local Governments under the TLAWC RAP area and further develop partnerships.

In addition to these members*, we also work in partnership with a range of other stakeholder organisations through their membership on the Mount Alexander Shire Indigenous Roundtable. These include:

- Department of Education & Training
- Castlemaine Secondary College

- ANTaR (Australians for Native Title and Recognition)
- Castlemaine Health

• Castlemaine District Community Health

• Castlemaine Community House

• Castlemaine Police

^{*}Taungurung Land and Waters Council have also been extended an invitation to join the core membership of the Indigenous Roundtable (Appendix 3 - Mount Alexander Shire Indigenous Roundtable Terms of Reference).
