

Maldon Streetscape Revitalisation Project

WE are continuing our work to repair the stone drains and footpaths in town and are focussing our efforts on the following areas:

- High Street west, stone drain works continue from Poppy's of Maldon toward Robert Cox Motors.
- High Street west, footpath asphalt resurfacing, follows stone drain works from Poppy's of Maldon toward Robert Cox Motors.
- Completing Old Bank Corner, concrete footpaths replacement with asphalt.

We will also progressively replace the old timber pedestrian and vehicle bridges.

As with many elements of this project, our ability to undertake work is weather dependent.

Considering this, our team are monitoring the rain radar regularly and adjusting work plans to reflect any predicted inclement weather.

We appreciate your support, patience and cooperation while works are progressed on this project.

Background on Maldon Streetscape Revitalisation Project

Works are progressing in Maldon on the Maldon Streetscape Revitalisation Project – a long-term initiative to rejuvenate the historic town.

The project has three main areas:

- putting powerlines underground

- restoring shopfronts
- upgrading public spaces such as footpaths, road surfaces, drains, bins and seating.

impact.

Not all cardboard can be recycled. Putting coated cardboard like ice cream cartons and takeaway drink cups in general rubbish means they don't mess up the recycling process.

Mount Alexander Shire Council Project Update

Works underway in Maldon

The Maldon Streetscape Revitalisation Project is an exciting long-term initiative that aims to rejuvenate Maldon's historic streetscape.

The project has three main areas – putting powerlines underground, restoring shopfronts and upgrading public spaces such as footpaths, crossovers, bins and seating.

Latest news

We are continuing to repair the stone drains and footpaths in town, and this week are focussing on:

- High Street east, footpath will be complete at the lane beside Maldon Timber & Hardware Store
- High Street west, stone drain works continue from Poppy's of Maldon to Robert Cox Motors
- Old Bank Corner, concrete footpaths will be replaced with asphalt.

Thank you

Thanks for your support and cooperation while works continue.

The Maldon Streetscape Revitalisation Project received \$4.5 million funding from the State Government through its Crisis Committee of Cabinet – Infrastructure Stimulus Fund.

New female-friendly sports pavilion for Harcourt

☆ Harcourt Recreation Reserve's new female-friendly change rooms.

HARCOURT Lions football, netball, cricket, and tennis clubs, along with the Mount Alexander Falcons (Women's Football Club), can look forward to preparing for the big games in a new female-friendly pavilion, thanks to the completion of works at Harcourt Recreation Reserve.

Until recently, the Lions women's and girls' teams had to resort to using an old toilet block at the ground to get changed.

Now that the Mount Alexander Falcons Women's Football Club call Harcourt home, it is even more important to have these new change-rooms and toilets.

The new pavilion is a game-changer, providing the first female-friendly player and umpire change rooms and amenities at the ground and comes complete with social spaces suitable for sports and community events.

It is the new headquarters for the 270-strong Lions to

grow teams and host more competitions and events, with nearby Harcourt Valley Primary School also able to access the new building.

The pavilion was made possible by over \$370,000 from the Victorian Government's Local Sports Infrastructure Fund and financial contributions from Mount Alexander Shire Council and the local community.

Member for Bendigo West Maree Edwards said, "Regional clubs and communities depend on local facilities. The new pavilion not only helps secure the future of the grassroots sport but provides a boost for local groups as well."

"It will go a long way to inspiring even more locals to join local sporting teams, with the community now having the facilities they need to welcome more women and girls to train longer, and compete," said MP Edwards.

"Better facilities make it easier for Victorians to get back into local sport and recreation and live active and healthy lifestyles."

For more information about infrastructure grant opportunities available through the Victorian Government visit sport.vic.gov.au.

MALDON PONY CLUB

☆ Shayla and Pudding at the State Horse Trials.

May Rally

MALDON Pony Club held their monthly rally on Sunday, 1 May.

With another great turnout of riders (22), we practised our horsemanship skills - turning on our front or back feet with Kalinda Greaves, flatwork (dressage) with Trista Hoyal and getting the correct canter lead and cross country with Sam Palmer.

During May, lots of our members have been out competing. A team of riders went up to Mansfield to compete in the State Horses trials and made their club very proud.

Alice Hogan riding Ben, competing in grade 5, placed 4th. Shayla Lister riding two horses, Pudding and Footy placed 8th in both her events, and MacKenzie Downing placed 2nd overall. Well done to all our riders - it was a very wet and cold weekend, but they worked hard and should be proud of their efforts.

Wanting to join the fun? Maldon Pony Club caters for riders of all ages and abilities, from as young as three years old. Our club rallies are on the first Sunday of each month, excluding January. We offer many different disciplines

such as dressage, showjumping, polo cross and games. We have excellent facilities with all-weather surfaces and a grade 1-6 cross country course. Come and try days for prospective members are welcome. Please contact Kira on 0407 140 580 or email maldonpcsecretary@gmail.com.

Maldon Horse Trials

We have our annual Horse Trials coming up on 18 and 19 June. This is our biggest fundraising event of the year and the first one we have been able to host since 2020. If anyone would like to help out on the day volunteering, we would love your support. Contact Kira on 0407 140 580. If you would like to come and watch and support our riders, we would love that as well. Horse trials consist of three phases - dressage, showjumping and cross country. Horse trials test both the horse and rider as the three disciplines require completely different skills - from calm, collected and smooth to bold, forward and endurance.
