Works underway in Maldon

The Maldon Streetscape Revitalisation Project is an exciting long-term initiative that aims to rejuvenate Maldon's historic streetscape.

The project has three main areas – putting powerlines underground, restoring shopfronts and upgrading public spaces such as footpaths, crossovers, bins and seating.

Latest news

We've started resurfacing the footpath asphalt on Main Street, Maldon from Templeton Street to Old Bank Corner, on the same side of the street as the newsagency. This week we also began work to replace the Old Bank Corner concrete crossovers with repaired timber and stone drains.
