Works underway in Maldon

The Maldon Streetscape Revitalisation Project is an exciting long-term initiative that aims to rejuvenate Maldon's historic streetscape.

The project has three main areas – putting powerlines underground, restoring shopfronts and upgrading public spaces such as footpaths, crossovers, bins and seating.

Latest news

Works to resurface the asphalt footpaths are continuing this week, and progressing from the Maldon IGA to Dolphin Street. The process of restoring shopfronts is continuing, with works progressively implemented by independent contractors on behalf of building owners.
