

Project Bulletin

Taradale Youth Space

November 2023

Mount Alexander Shire Council is in the process of transforming the old tennis court in Taradale into an interactive Youth Space.

The precinct will have something for everyone of all ages and will be an attractive new addition to the area.

The new facilities will include:

- A concrete prefab pump track
- Skateboard concrete hump
- Basketball/soccer fusion unit
- Hit-up wall
- A new concrete slab topped with an all-weather playing surface
- New fencing
- Wombat Crossing linking the park

The Taradale Youth Space project is supported by the Victorian Government.

Project status

The project began in March 2023 with the refurbishment of the old tennis shelter. Council has now awarded the contract for civils works which will commence early January 2024.

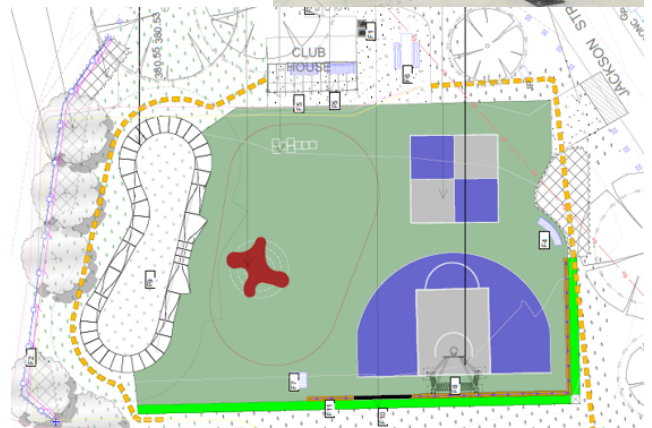

Importantly, the equipment for the new play space has been ordered. The pump track and other equipment is scheduled for delivery in January 2024.

The project aims to be completed as planned by the end of May 2024.
