

# Slowing the spread of coronavirus

You must stay home. It will save lives.

- ✚ **WASH** your hands often with soap and running water, for at least 20 seconds. Dry with paper towel or hand dryer.
- ✚ **TRY** not to touch your eyes, nose or mouth.
- ✚ **COVER** your nose and mouth with a tissue when you cough or sneeze. If you don't have a tissue cough or sneeze into your upper sleeve or elbow.
- ✚ **PHONE** your doctor or the hotline – **1800 675 398** – if you need medical attention. They will tell you what to do.
- ✚ **CONTINUE** healthy habits: exercise, drink water, get plenty of sleep.
- ✚ **BUY** an alcohol-based hand sanitiser with over 60% alcohol.
