Tell us your story

Neighbour Day is a national event that aims to increase positive and sustainable social connections between people and communities throughout Australia.

To reflect the *Every Day is Neighbour Day* theme for Neighbour Day 2021, we are asking the community to share their story of connecting with a neighbour over the past year which might include:

- how you or your neighbours reached out to vulnerable and/or lonely members of your community and what you have done to create a connection and/or stay connected;
- new neighbourly connections (or reconnections with neighbours you already knew) and how that came about;
- a place or service or activity in your neighbourhood that fosters connection;
- friendship and/or support of people in your neighbourhood;
- any other good news story about social connection.
